Requirements for processing title transactions under emissions regulations

Required

Proof of emissions testing is required when **all** of the following apply:

- The vehicle’s prior registration or titling was done in Texas, but in a county other than Brazoria, Collin, Dallas, Denton, El Paso, Ellis, Fort Bend, Galveston, Johnson, Kaufman, Montgomery, Parker, Rockwell, Tarrant, Travis, Williamson or Harris.*
- The vehicle is gasoline-powered.
- 1996 or newer (**MCO’s excluded**) with 50,000 or **more** miles, is gasoline-powered and is from a non-affected county

Not required

Proof of emissions testing is not required when **any** of the following applies:

- The vehicle’s prior registration or titling was done in Brazoria, Collin, Dallas, Denton, El Paso, Ellis, Fort Bend, Galveston, Johnson, Kaufman, Montgomery, Parker, Rockwell, Tarrant, Travis, Williamson, or Harris counties.*
- The vehicle’s prior registration or titling was done in a state other than Texas, or a country other than the USA.
- 1996 or newer with **less** than 50,000, is gasoline-powered.
- The vehicle is 25 years old or older (antique vehicles).
- The vehicle is not gasoline-powered.
- The vehicle is a motorcycle.

Acceptable as proof

- An original VIR (Vehicle Inspection Report) dated within the last 90 days
- A copy of a VIR issued by DPS (Texas Department of Public Safety) or TCEQ (Texas Commission on Environmental Quality)

Not acceptable as proof

- An emissions certificate more than 90 days old

Exception: Vehicles operated in Harris County for only 60 days or less

DPS allows an exemption (requires completed TX DPS form VIE-12) for vehicles that will be operated in Harris County for 60 days or less.
